(Antislavery Office April 15. 1852

Mum Committee.

I have received
times which have been responded
with great care on these subjects
1. Influence of American Slavery
on the Free Labor of the Country.
2. The Free & Slave Church
compared. 3. The Free & Slave Ly
compared 4. The prostitution of
tution of the United States Govern
& the Duty of the people in rep
ence thereto. I should like to
give these in various places as
your Agent & on your constitue
ency, & each place. I would
also endeavor to collect funds
for the society & get Subscrib
for the Liberator. I should be
willing to have any compensa
tion in such dependents upon su
cess in your service. If that
would warrant. I should wish to

receive twelve Dollars per week &
my expenses, six Dollars to be
credited to the refunding of the $100.
I am owing Your Husband $ six
to be paid in money to myself.
I think I could do many
times work that this enter-
prise would not be any much
expense to the Antislavery Society.
I should like to give this Country
wholly in such place as You
might select.

Fraternally Yours

Daniel Foster.
